VISION

Equity in health and wellbeing for women of the Loddon Mallee region.

PURPOSE

Lead cultural and structural change to improve women's lives based on a deep understanding of women's experiences and stories

VALUES

Respect, Courage, Diversity.

HOW WE WILL DO THIS

Embed a gender lens that: creates connections, grows capacity, builds knowledge, amplifies voices and develops solutions.

I would like to become a member of Women's Health Loddon Mallee. I am a woman working, living or studying in the Loddon Mallee region. I agree with the 'Statement of Purpose' of WHLM. (See above)
